Warrant Extension

Tyler Resources Inc. ("Tyler") announces that it is submitting an application to the TSX Venture Exchange to amend the terms of its previously issued warrants. The warrants were initially issued pursuant to the closing of a private placement of 2,000,000 Units on December 2, 2002. Each Unit consisted of one common share of Tyler at a price of \$0.05 per common share and one-half of a non-transferable share purchase warrant. Each full warrant entitles the holder to purchase one additional common share at a price of \$0.10 per share for a period of one year from the date of issue. Tyler is requesting regulatory approval to extend the expiry date of the warrant from December 2, 2003 to December 2, 2004. In addition, Tyler is requesting a forced exercise provision that if the closing price of Tyler's shares is \$0.10 or greater for a period of 10 consecutive trading days, then the warrant holders will have 30 days to exercise their warrants, otherwise the warrants will expire on the 31st day.
